

RULES OF THE TOURNAMENT

Substitutes and Retirements

As this is a competitive competition substitution of players is not permitted. In the event that a player is forced to pull out of the competition please advise the tournament committee immediately.

Match Times and Schedule

Matches will be scheduled for 8pm on week nights with 90 minutes uninterrupted playing time allowed. Schedule will be on the website.

We have allowed the flexibility of reorganising games if the scheduled time is not workable. In such circumstances matches must be reorganised by the players and are to be played within the same week as originally scheduled.

Please ensure to advise Sinéad for any rescheduled games to allow us free up reserved courts for general use.

The Club rules regarding court usage apply to reorganised matches (player names and court times to be added to court booking sheet, court be vacated after 1 hour if other players waiting, etc)

Match Play

Players are to provide their own balls and pay for their lights (€2 per half hour).

Play 2 sets.

If a set is tied at 6 games all, play normal tie break to 7 pts and must win by 2 pts.

If sets are tied at 1 set each, play championship tie break to 10 pts and must win by 2 pts.

Normal deuce/advantage rules apply.

Scores must be entered on the score sheets provided in the club house hall.
